

The prices here will give a general idea of the costs for private custom tours sampled on our website using good quality unique 3* riads and hotels.

You also have options to upgrade to 4* hotels and a 5* desert camp.

Prices may vary depending upon where you want to start and end your tour.

All tours are custom made itineraries, and

- can start any day,
- for any length of time,
- for any number of explorers.

Our tours are designed so that you will experience the best Morocco has to offer. We pace each day with lots of breaks and stops at locations along the route. Desert and High Atlas Tours involve traveling on narrow winding roads.

Adding overnight stops will need to be factored in to your daily driving time. You'll generally need to allow one day for travelling and one day or more to explore each location.

Four and five star hotels and desert camp will be priced separately. All our stays are either in riads or small country inns, kasbahs, or modern hotels in Rabat and Casablanca.

DISCOUNTS

- 10% discount on children under 10 years of age, and under 2 years free

- For groups of 6 or more, travel is in a mini bus instead of a 4x4 vehicle.
- Starting and ending your tour in Marrakech offers the lowest prices.
